

Heroes Technical and Vocational College

Programmes and courses by academic department - Generated 29 Sep 2026

Building and Civil Engineering

Civil Engineering

Course	Duration	Entry requirements
Civil Engineering Level 6	8 Terms	Contact the college for current requirements

Building and Construction Technology

Course	Duration	Entry requirements
Building Technology Level 5	5 Terms	Contact the college for current requirements
Building Technology Level 6	7 Terms	Contact the college for current requirements
Diploma in Building and Construction Technology	3 Years	Contact the college for current requirements
Masonry Level 3	2 Terms	Contact the college for current requirements
Masonry Level 4	3 Terms	Contact the college for current requirements

Plumbing

Course	Duration	Entry requirements
Artisan in Plumbing	1 Year	Contact the college for current requirements
Craft Certificate in Plumbing	2 Years	Contact the college for current requirements
Plumbing - NITA	6 Months	Contact the college for current requirements
Plumbing Level 3	2 Terms	Contact the college for current requirements
Plumbing Level 4	3 Terms	Contact the college for current requirements
Plumbing Level 5	5 Terms	Contact the college for current requirements

Business & Liberal Studies

Business Management

Course	Duration	Entry requirements
Business Management Level 5	4 Terms	Contact the college for current requirements
Business Management Level 6	6 Terms	Contact the college for current requirements
Craft Certificate in Business Management	5 Terms	Contact the college for current requirements
Diploma in Business Management	2 Years	Contact the college for current requirements

Banking Finance

Course	Duration	Entry requirements
Banking Finance Level 6	6 Terms	Contact the college for current requirements
Diploma in Banking Finance	6 Terms	Contact the college for current requirements

Human Resource Management

Course	Duration	Entry requirements
Human Resource Management Level 5	4 Terms	Contact the college for current requirements
Human Resource Management Level 6	6 Terms	Contact the college for current requirements

Supply Chain Management

Course	Duration	Entry requirements
Supply Chain Management Level 5	5 Terms	Contact the college for current requirements
Supply Chain Management Level 6	7 Terms	Contact the college for current requirements

Storekeeping

Course	Duration	Entry requirements
Storekeeping Level 4	3 Terms	Contact the college for current requirements
Storekeeping Level 5	5 Terms	Contact the college for current requirements

Social Work

Course	Duration	Entry requirements
Social Work Level 4	3 Terms	Contact the college for current requirements
Social Work Level 5	5 Terms	Contact the college for current requirements
Social Work Level 6	6 Terms	Contact the college for current requirements

Career Services Office

No programmes are currently published under this department.

Computing and Informatics

Information Communication Technology

Course	Duration	Entry requirements
Craft Certificate in Information Communication Technology	2 Years	Contact the college for current requirements
Diploma in Information Communication Technology	3 Years	Contact the college for current requirements
Information Communication Technology Level 4	3 Terms	Contact the college for current requirements
Information Communication Technology Level 5	5 Terms	Contact the college for current requirements
Information Communication Technology Level 6	8 Terms	Contact the college for current requirements

Information Science

Course	Duration	Entry requirements
Library and Information Science Level 5	5 Terms	Contact the college for current requirements
Library and Information Science Management Level 6	8 Terms	Contact the college for current requirements

Computer Science

Course	Duration	Entry requirements
Computer Science Level 6	8 Terms	Contact the college for current requirements

Computer Packages

Course	Duration	Entry requirements
--------	----------	--------------------

Computer Packages Essentials	2 Months	Contact the college for current requirements
------------------------------	----------	--

Web Design

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

Digital Marketing

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

Records Management

Course	Duration	Entry requirements
Records Management Level 4	3 Terms	Contact the college for current requirements
Records Management Level 5	5 Terms	Contact the college for current requirements
Records Management Level 6	6 Terms	Contact the college for current requirements

Electrical and Electronics Engineering

Electrical Engineering

Course	Duration	Entry requirements
Craft Certificate in Electrical Engineering	2 Years	Contact the college for current requirements
Diploma in Electrical Engineering	3 Years	Contact the college for current requirements
Electrical Engineering Level 5	5 Terms	Contact the college for current requirements
Electrical Engineering Level 6	8 Terms	Contact the college for current requirements
Electrical Operation Level 5	5 Terms	Contact the college for current requirements

Electrical Operations

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

Electrical Installation

Course	Duration	Entry requirements
--------	----------	--------------------

Artisan in Electrical Installation	3 Terms	Contact the college for current requirements
Electrical Installation Level 3	2 Terms	Contact the college for current requirements
Electrical Installation Level 4	3 Terms	Contact the college for current requirements

Electrical Wireman

Course	Duration	Entry requirements
Electrical Wireman - NITA	6 Months	Contact the college for current requirements

Fashion Design and Cosmetology

Cosmetology

Course	Duration	Entry requirements
Beauty Therapy - NITA	6 Months	Contact the college for current requirements
Beauty Therapy Level 4	3 Terms	Contact the college for current requirements
Beauty Therapy Level 5	5 Terms	Contact the college for current requirements
Beauty Therapy Level 6	6 Terms	Contact the college for current requirements
Cosmetology Level 3	2 Terms	Contact the college for current requirements
Cosmetology Level 4	3 Terms	Contact the college for current requirements
Cosmetology Level 5	5 Terms	Contact the college for current requirements
Cosmetology Level 6	7 Terms	Contact the college for current requirements
Hairdressing - NITA	6 Months	Contact the college for current requirements
Hairdressing Level 4	3 Terms	Contact the college for current requirements
Hairdressing Level 5	5 Terms	Contact the college for current requirements
Hairdressing Level 6	6 Terms	Contact the college for current requirements

Fashion Design

Course	Duration	Entry requirements
Artisan in Garment Making	1 Year	Contact the college for current requirements
Craft Certificate in Fashion Design	2 Years	Contact the college for current requirements
Diploma in Fashion Design	3 Years	Contact the college for current requirements
Dress Making-NITA	6 Months	Contact the college for current requirements
Fashion Design Level 3	2 Terms	Contact the college for current requirements
Fashion Design Level 4	3 Terms	Contact the college for current requirements
Fashion Design management Level 6	7 Terms	Contact the college for current requirements
Fashion Design Technology Level 5	5 Terms	Contact the college for current requirements

Interior Design

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

Hospitality & Institutional Management Department

Food and Beverage Production (Culinary arts)

Course	Duration	Entry requirements
Catering-NITA	6 Months	Contact the college for current requirements
Food and Beverage Production Level 3	2 Terms	Contact the college for current requirements
Food and Beverage Production Level 4	3 Terms	Contact the college for current requirements
Food and Beverage Production Level 5	5 Terms	Contact the college for current requirements
Food and Beverage Production Level 6	6 Terms	Contact the college for current requirements

Food and Beverage Sales and Service

Course	Duration	Entry requirements
--------	----------	--------------------

Food and Beverage Sales and Service Level 5	5 Terms	Contact the college for current requirements
Food and Beverage Sales and Service Level 6	6 Terms	Contact the college for current requirements

Mechanical & Automotive Engineering

Welding & Fabrication

Course	Duration	Entry requirements
Welding and Fabrication Level 6	7 Terms	Contact the college for current requirements
Welding Level 4	3 Terms	Contact the college for current requirements
Welding NITA	6 Months	Contact the college for current requirements
Welding Technology Level 5	5 Terms	Contact the college for current requirements

Automotive Engineering & Technology

Course	Duration	Entry requirements
Automotive Engineering Level 4	3 Terms	Contact the college for current requirements
Automotive Engineering Level 5	5 Terms	Contact the college for current requirements
Automotive Engineering Level 6	7 Terms	Contact the college for current requirements
Driving	1 Month	Contact the college for current requirements
